## Materials guideline list

Thank you for your interest in [Tufting Art with Kerri Hollingsworth](#).

Here, you'll find some pre-registration advice as an essential guide for what you'll need to complete this course. Once enrolled, detailed material lists with images and supplier recommendations will be available in the resource guide documents.

Just to let you know, this document serves as a general guide. We encourage resourcefulness and using what you already have before considering new material purchases. If you have any specific questions about materials or supplies, feel free to contact [support@taketwoart.com](mailto:support@taketwoart.com).

### Essential tufting supplies

- Tufting gun
- Tufting canvas
- Tufting canvas frame (hand-built or purchased)
- Yarn (upcycled, repurposed, etc.)
- Hand-built or salvaged/thrifted stool
- Non-toxic, latex-based carpet glue suitable for tufting
- Paintbrush, for applying glue

### Nice-to-have tufting supplies

Materials that you can invest in as you need to:

- Hand carving tool (carpet carver)
- Cone yarns
- Duck bill scissors
- Power drill

### If you are building your own stool:

- Timber/plywood
- Angle brackets
- Screwdriver/drill
- Thick foam
- Wadding/dacron/batting
- Spray adhesive
- Screws

### Upholstery supplies

- Fabric scissors
- Upholstery needle (curved is ideal)
- Strong thread
- Staple gun and staples or upholstery tacks
- Hammer
- Utility knife
- Cloth tape measure
- Set square or ruler
- Black calico, or fabric scraps, to finish the underside of upholstered stool

### Optional fibre and fabric

- Upholstery-weight fabric offcuts, for fabric panels in your design
- Chunky yarn, rope or thicker fibres, for hand-stitched detail

### Safety and workspace

- Safety goggles
- Air ventilation or open windows when trimming and carving fibre
- Respiratory mask, if ventilation is limited
- A chair with wheels, for moving around larger frames (nice-to-have, but not essential)
